Helping Pay Your Bills, While You Pay Attention to You

What if one day, not very far in the future, you become disabled and you can't go to work. How would you pay for the expenses of daily life such as monthly mortgage or rent, groceries and your utilities? The bills keep on coming even if you're unable to work. That's where Aflac's short-term disability insurance policy can help make the difference. It's a source of monthly income you may need to help take care of your bills while you take care of yourself.

Why Aflac Short-Term Disability may be the best choice for you:

- It's sold on an individual basis. You choose the plan that's right for you based on your financial needs and income.
- We offer the option of guaranteed-issue,¹ short-term disability coverage. That means no medical questionnaire is required.
- We pay you a cash benefit for each day you are disabled.²

Here's how we can help

When disabled, you may not only lose the ability to earn a living, but you may also lose savings or retirement funds. The financial obligations can be overwhelming. Disability insurance plays an integral and important role in your financial planning.

Aflac provides benefits for both total and partial disability. Even if you're able to work, partial disability benefits may be available to help compensate for lost income.

Aflac does not coordinate benefits. Regardless of any other disability insurance you may have, including Social Security, we will pay you directly.³

¹Subject to certain conditions.

²Subject to your benefit period and elimination period.

³Unless otherwise assigned.

Understand the difference Aflac makes in your financial security.

Aflac pays cash benefits directly to you, unless otherwise assigned. This means that you will have added financial resources to help with expenses incurred due to medical treatment, ongoing living expenses or any purpose you choose.

1. **Read Your Policy Carefully.** This document provides a very brief description of the important features of the coverage. This is not the insurance contract, and only the actual policy provisions will control. The policy itself sets forth in detail the rights and obligations of both you and Aflac. It is, therefore, important that you **READ YOUR POLICY CAREFULLY!**
2. Short-term Disability coverage is designed to provide, to persons insured, coverage for disabilities resulting from a covered accident or Sickness, subject to any limitations set forth in the policy. Coverage is not provided for basic hospital, basic medical-surgical, or major medical expenses.
3. **Benefits.** The following benefits are a part of the policy.

Aflac will pay the following benefits, as applicable, if your Disability is caused by a covered Sickness or covered Off-the-Job Injury and occurs while coverage is in force. All benefits are subject to the Limitations and Exclusions, Pre-existing Condition Limitations, and other policy terms.

Disability due to pregnancy and childbirth is payable to the same extent as a covered Sickness. Disability benefits for childbirth will be payable only after the policy has been in force ten months. The maximum period of Disability allowed for Disability due to childbirth is twelve weeks, unless you furnish proof that your Disability continues beyond twelve weeks. The Elimination Period is not applicable to Disability benefits due to childbirth.

Disability due to Mental Illness is payable up to the Benefit Period and is limited to the Maximum Lifetime Disability Period For Mental Illness.

Benefits will be paid for only one Disability at a time, even if the Disability is caused by more than one Sickness, more than one Injury, or a Sickness and an Injury. **We reserve the right to a Physician's or Mental Health Provider's statement to determine whether you are qualified to receive Disability benefits or whether you are unable to perform three or more ADLs and require Direct Personal Assistance. You must be under the care and attendance of a Physician or Mental Health Provider for these benefits to be payable. Benefits will cease on the date of your death.**

A. TOTAL DISABILITY BENEFITS:

1. **Working Full Time:** If you have a Full-Time Job at the time of your Sickness or Off-the-Job Injury, we will insure you as follows while coverage is in force:

If your covered Sickness or covered Off-the-Job Injury causes your Total Disability within 90 days of your last treatment for your covered Sickness or covered Off-the-Job Injury, we will pay you the Daily Disability Benefit for each day of your Total Disability. This benefit is payable up to the Total Disability Benefit Period you selected and is subject to the Elimination Period shown in the Policy Schedule. Also see the Uniform Provision titled "Term," and the definition of "Benefit Period."

You will no longer be qualified to receive this benefit upon the earlier of your: (1) being released by your Physician or Mental Health Provider to perform the material and substantial duties of your Full-Time Job, or (2) working at any job for which the person is or becomes qualified by reason of education, training or experience.

2. **Not Working Full Time:** If you do not have a Full-Time Job at the time of your Sickness or Off-the-Job Injury, we will insure you as follows while coverage is in force:

If you are unable to perform three or more ADLs within 90 days of your last treatment that is a result of a covered Sickness or Off-the-Job Injury, as certified by a Physician or Mental Health Provider, and you require Direct Personal Assistance to perform such ADLs, we will pay you the Daily Disability Benefit for each day you cannot perform such ADLs. This benefit is payable up to the Total Disability Benefit Period you selected and is subject to the Elimination Period shown in the Policy Schedule. Also see the Uniform Provision titled "Term," and the definition of "Benefit Period."

You will no longer be qualified to receive this benefit upon the earlier of your: (1) being released by your Physician or Mental Health Provider to perform the material and substantial duties of your Full-Time Job, (2) working at any job for which the person is or becomes qualified by reason of education, training or experience, or (3) Physician or Mental Health Provider no longer being able to certify that you are

unable to perform three or more ADLs that require Direct Personal Assistance.

Separate periods of Disability, resulting from the **same or a related condition** and not separated by 180 days or more, are considered a continuation of the prior Disability. Once the maximum Total Disability Benefit Period has been paid, you will not be eligible for a new Total Disability Benefit Period for Disability due to the same or a related condition, until 180 days or more after you: (1) have been released by a Physician or Mental Health Provider from the prior Disability, (2) are no longer disabled, and (3) are no longer qualified to receive any Disability benefits under the policy.

Separate periods of Disability, resulting from **unrelated causes** and not separated by your returning to work at a Full-Time Job for 14 working days during which you are performing the material and substantial duties of such job, are considered a continuation of the prior Disability. Once the maximum Total Disability Benefit Period has been paid, you will not be eligible for a new Total Disability Benefit Period for Disability due to an unrelated cause, until 14 working days after you: (1) have been released by a Physician or Mental Health Provider from a prior Disability, (2) are no longer disabled, and (3) are no longer qualified to receive any Disability benefits under the policy.

Periods of Disability meeting either of these separation requirements will begin a new Total Disability Benefit Period, subject to a new Elimination Period.

- B. **PARTIAL DISABILITY BENEFIT:** If you have a Full-Time Job at the time of your Sickness or Off-the-Job Injury, we will insure you as follows while coverage is in force:

If your covered Sickness or covered Off-the-Job Injury causes your Partial Disability within 90 days of your last treatment for your covered Sickness or covered Off-the-Job Injury, we will pay you one-half of the Daily Disability Benefit for each day of your Partial Disability. This benefit is payable up to the Partial Disability Benefit Period (a maximum period of three months) and is subject to the Elimination Period shown in the Policy Schedule. Also see the Uniform Provision titled "Term," and the definition of "Benefit Period."

You will no longer be qualified to receive this benefit upon the earlier of your: (1) being released by your Physician or Mental Health Provider to perform the material and substantial duties of your Full-Time Job, or (2) working at any job for which a person is or becomes qualified by reason of education, training or experience earning 80 percent or more of your pre-Disability Annual Income.

Separate periods of Disability, resulting from the **same or a related condition** and not separated by 180 days or more, are considered a continuation of the prior Disability. Once the maximum period of three months of Disability under this benefit has been paid, you will not be eligible for a new Partial Disability Benefit Period for Disability due to the same or a related condition, until 180 days or more after you: (1) have been released by a Physician or Mental Health Provider from the prior Disability, (2) are no longer disabled, and (3) are no longer qualified to receive any Disability benefits under the policy.

Separate periods of Disability, resulting from **unrelated causes** and not separated by your returning to work at a Full-Time Job for 14 working days during which you are performing the material and substantial duties of such job, are considered a continuation of the prior Disability. Once the maximum Partial Disability Benefit Period has been paid, you will not be eligible for a new Partial Disability Benefit Period for Disability due to an unrelated cause, until 14 working days after you: (1) have been released by a Physician or Mental Health Provider from a prior Disability, (2) are no longer disabled, and (3) are no longer qualified to receive any Disability benefits under the policy.

Periods of Disability meeting either of these separation requirements will begin a new Partial Disability Benefit Period (a maximum period of three months), subject to a new Elimination Period.

The Partial Disability Benefit Period is not subject to the Total Disability Benefit Period.

- C. **WAIVER OF PREMIUM BENEFIT:** If your covered Sickness or covered Off-the-Job Injury causes your Total Disability or Partial Disability for more than 90 consecutive days (or after the Elimination Period shown in the Policy Schedule, whichever is greater) while the policy is in force, Aflac will waive, from month to month, the premium for the policy and any applicable rider(s) for as long as you remain disabled, up to the applicable Benefit Period shown in the Policy Schedule.

For premiums to be waived, Aflac will require an employer's statement (or proof of your inability to perform three or more ADLs) and a Physician's or Mental Health Provider's statement certifying your inability to perform said duties or activities, and may each month thereafter require a Physician's or Mental Health Provider's statement that your inability to perform said duties or activities continues. Aflac may ask for and use an independent consultant to determine your Disability when this benefit is in force.

You must pay all premiums to keep the policy and any applicable rider(s) in force until Aflac approves your claim for this Waiver of Premium Benefit. You must also
